

# Do's and Don'ts

- All cards must be **100% handmade**
  - We are **unable to deliver store-bought cards**
- Holiday cards are great, but we prefer cards that can be **enjoyed by the recipients year-round**
- All artists should **sign the cards with their first name and location** (i.e. From, Angie in Ann Arbor, MI!)
- Encourage those who know multiple languages to **create cards in other languages**
- **Take pictures and screenshots** of video conferences with artists making and holding their cards

- Uplifting Spirits is our main goal, so our Golden rule is, to be sure that the cards have an **uplifting message** and **do NOT refer to patients' conditions.**
  - Do not say things like, "Get well soon," "Stay Strong," or "Hang in there"
- Please **avoid religious references**
- Please **avoid fuzz balls and pipe cleaners** as they tend to not stick to the cards well and fall off during transit
