All cards must be 100% handmade
- We are unable to deliver store-bought cards
- Holiday cards are great, but we prefer cards that can be enjoyed by the recipients year-round.
- All artists should sign the cards with their first name and location (i.e., From Angie in Ann Arbor, MI!)
- Encourage those who know multiple languages to create cards in other languages.
- Please take pictures and screenshots of video conferences with artists making and holding their cards.

Uplifting Spirits is our primary goal, so our Golden rule is to be sure that the cards have an uplifting message and do not refer to the condition of the patients.
- Do not say things like, "Get well soon," "Stay Strong," or "Hang in there."
- Please avoid religious references as we cannot promise they will be delivered from room to room at each location.
- Please avoid fuzz balls and pipe cleaners as they tend not to stick to the cards well and fall off during transit.
